(in billion yuan)

Online games are one of the fastest-growing industries in China. No matter where you are, you can see individuals or groups participating in games.

China, which is a leader in terms of population and technology, is expected to become the world's largest online game market in the future. This goal is believed to be achieved soon.

GAME TYPES

Games can be divided into many categories to appeal to groups of different genders, ages, etc. I believe your favorite game type must also be included in the following list.

Mobile Games

- Mobile Legend
Users – 78.6 Million
- PUBG
Users – 32 Million

Role Playing Games

- World Of Warcraft
Users – 129 Million

Competitive Games

- League of Legends
Users – 140 Million
- DOTA2
Users – 14 Million

Entertainment Games

- Lottery Revenue

Total amount of insurance premiums for property loss and accidental injury insurance, combined with life and health premiums

According to the annual report by Standard & Poor's, the insurance industry achieved a new record in revenue in 2021, reaching 1.6 trillion dollars.

WHY ARE MORE PEOPLE GETTING INSURANCE?

- Concerns about accidents and physical condition
- Buying insurance as a means of pension
- Unable to afford high medical expenses
- Provide protection for the family

INSURANCE INDUSTRY SPECIAL INSURANCE

In addition to the well-known general insurance categories, insurance companies actually offer many special policies that are insured based on different probabilities. Here are some examples of special insurance :

1

Hole-In-One

2

Half Court Shoot

3

Cross Bar Challenge

(Hit the crossbar at the midfield line of the football field)

4

Lottery

5

Scratch Cards

6

Online Entertainment Games

(Games of chance or skill)
