You will be asked some important information about yourself, it would be the same information as if you were opening a checking or savings account from any bank like Wells Fargo, Bank of America or Chase.

What's your date of birth?

What's your Social Security number?

The information is only used to verify your identity and will not affect your credit score.

What's your citizenship status?

What's your employment status?

What's your occupation?

We collect occupation to address regulatory expectations for knowing our customers.

What's your annual income?

We collect annual income to address regulatory expectations for knowing our customers.

Now Sofi Bank wants to make sure this is you. Enter your phone number, you will get a text message with a code. Enter the Six-Digit Code from your text message.

Which number should we use to text your verification code?

Message and data rates may apply. Message frequency varies. [Terms of Use](#) & [Privacy Policy](#).

Now let's do a quick tax status check-in

Have you been notified by the IRS that you're subject to backup withholding? ⓘ

No (most common)

Yes

Under penalties of perjury, I certify that:

1. The Social Security number I entered is correct.
2. I am a U.S. citizen or permanent resident or other [U.S. person](#).
3. The [FATCA](#) code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct. (Note: We're legally required to present this here, but this is not applicable to you.)

Additionally, if I selected "no" to the question above, I certify that I am not subject to [backup withholding](#) because (1) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (2) the IRS has notified me that I'm no longer subject to backup withholding.

By checking this box, I am signing and certifying that the above information is true.

The IRS does not require your consent to any provision of this document other than the certifications required to avoid backup withholding.

The screenshot shows the SoFi home dashboard. At the top, there is a navigation bar with links for Home, Banking, Credit Card, Invest, Loans, Relay, Insurance, and At Work. On the right, there are links for Help, a notification bell, and a user profile for David. Below the navigation, there are two buttons: 'Rewards' and 'Get \$75'. The main content area displays a greeting 'Hi, David' and several product cards: Banking (with a balance of \$75.00 and \$0.00), Relay Insights (with a balance of \$125.00 and '3 minutes ago'), Personal Loan, Mortgage, Credit Score, Student Loan Refi, Invest, and Life Insurance. At the bottom, there is an 'Explore more products' button.

The screenshot shows the SoFi Banking page. The navigation bar is the same as in the previous screenshot. The main heading is 'Banking' with a sub-heading of '\$75.00' and 'Total available balance'. Below this, there are two account cards: 'Checking' with a balance of \$75.00 and 'Current APY 0.50%', and 'Savings' with a balance of \$0.00 and 'Current APY 1.20%'. On the right side, there are buttons for 'Transfer', 'Pay', 'Get \$75', and 'More'. At the bottom right, there is a promotional banner for 'Autopilot' and 'Get up to 4.60% APY on your balances'.
